MEMORANDUM FOR: Director of Training

SUBJECT: Clandestine Services Administrative
Support Course

REFERENCE: Memo from Dir of Trng to DD/A and Chief of
Admin, DD/P, dated 3 March 1953

1. I have discussed reference memorandum with the DD/A and with Mr. [REDACTED] of your office, and have requested Mr. [REDACTED] to discuss the content of proposed course and the availability of appropriate instructors with this office prior to making a general course announcement.

2. I am inclined to believe, after discussion with the DD/A, that we may need a little more time than indicated in reference memorandum to insure that the proposed course is up-to-date, adequate and that suitable instructor personnel are available before it is actually put into effect. For this reason it is requested that no formal announcement be made pending further coordination with this office and the DD/A, and our arriving at a general determination of capability to present the kind of course which will fully serve our needs.
